Eaton "Ed Leas" Cross Country Classic
Coaches "Race Day" Information

Team Parking

<u>All team bus parking will be at Fort St. Clair Park</u>. Teams may bring their bus into the park entrance and ***drop off athletes / coaches at the designated drop off/pick-up area only*** (see map entitled – Coaches Park Specifics). Your driver may then take the bus through the park to one of the designated parking areas in the lower part of the park. Once your races are completed you may bring your bus back to the pick-up area (same as the drop-off location) to load your team and equipment.

Team Camp Areas

All teams should be only in the designated areas with team set-up. Please make sure you stay well off any area of the course. The designated team areas are color coded (see attachment titled – Coaches Park Specifics).

Spectator Parking

Handicapped and parking for the elderly will be available in a limited quantity in the park, only in designated areas. All other spectator parking will be at Eaton High School. Eaton Community Schools will run a yellow school shuttle bus from the high school to the park entrance, approximately ¼ mile from the park, starting at 7:30 a.m. and running until 3:30 p.m.. The bus pick up will be on the North side parking lot at the school and drop off at the park entrance and run in the reverse order for spectators to return to the school. Those who wish to walk may walk the short distance to the park along the paved waking path and sidewalk which will run down to the park entrance. Police officers will control the flow of traffic into and out of the park while directing spectators to the designated parking areas. Cars should not park in the cemetery, across from the park or Whisper Way, a private community just down from the park. **More than sufficient parking (over 500 spots at the high school alone) exists – just plan ahead! Please notify your parents regarding parking prior to race day! This will help everyone!**
