

## **Coaches Information**

**I just want to cover a few items of importance for each coach, high school & junior high, that will make everything easier for you prior to your arrival at the Fall Classic. Please read the following and if you have any questions contact me as soon as possible.**

**All bus parking will be on the South side of Eaton High School - Main Front entrance to Eaton High School**

### **Pre-Race Instructions**

- 1.) All entries will be made through [www.buamspage.com](http://www.buamspage.com) by Tuesday – September 28<sup>th</sup>!
- 2.) Address parking procedure with your bus driver(s) and parents.

## Race Day Instructions

- 1.) Arrive early enough to allow your athletes to make sure they understand the course.
- 2.) Pick up your race packets at the Registration table behind the finish line area.
- 3.) Make sure all athletes are given their assigned number, regardless of which race he/she will compete. **All race numbers go on the front of the jersey.**
- 4.) Please remind your athletes to keep moving as quickly as possible, once he/she completes the race, into the finish chute. Our goal is to move each athlete through as quickly as possible. Safety for each athlete and each athlete entering the finish chute in the proper order are our primary concerns at the end of race.
- 5.) Each athlete will receive a place card upon completion of his/her race. Please complete each card with the full name of each athlete along with the school name. Return your cards to the registration table and place the cards in the correct race place card container for each race. The place cards are our back-up system only, but must be completed by each coach.
- 6.) **Please do not enter the scoring tent for any reason. The individuals who man the computers and score the races do an excellent job and shouldn't be distracted. Their goal is enter the date after each race, score each race and post it as quickly as possible.** We will have helpers at the registration who assist you and answer your questions. Thank you for your understanding!

## Post Race Instructions

- 1.) Race results will be posted as quickly as possible on the results board located adjacent to the finish line. Results of the meet will be posted by Sunday afternoon at 3:00 p.m. on the Eaton Cross Country website. A complete copy of the race results will be sent to each school within two weeks.
- 2.) **Please help us by picking up all your trash from your camp area.** We are lucky to have such a beautiful park in which to host Cross Country meets, so help us keep it clean. We will provide a trash bag for each team at the time you check in at the registration table. Trash cans are located throughout the team areas and around the park. Thank you for your help!
